Just a quick thank you note to say how nice it was to work with you. Your staff came through on every issue. A special thanks to Mary & John for taking the 24 hour calls and getting everything done right. Thanks for your advice, guidance and patience during this long event. We truly appreciate everything you have done. I am sure John is happy this is over so I'm not begging for "just one more" more. Thanks again -
Yana McNamara
